WORKCOVER SMALL BUSINESS REBATE

PROGRAM: Receive up to \$500 to help your business to be smarter and safer. 1st step: attend an eligible safety workshop such as the one in Gunnedah on 18 June.

MEMBERSHIP RENEWALS DUE

It is an excellent time to join to get value for money. Email for a membership form chamber@Gunnedah.org.au

16 July Seminar: Financials and working with your bank and accountant.

Financials are still a major issue for many businesses, this presentation discusses common issues, working together with your bank and accountant, what to do when things start to go wrong with the business financially, some common mistakes we see and also some free software which businesses can use to help them build their cash flow plans and work out how to drive up profit.

Improving Kids Education Program

– a local project to address truancy
The Chamber, along with Council is supporting this program. We encourage businesses to participate by displaying program material and checking students passes if they seek services during school hours. For more information contact Megan Verdon at Gunnedah High School 6742 0155

Gunnedah Television advertising.

Chamber has secured a members only TV ad package for \$700 including production through Southern Cross Ten. An excellent opportunity – call Ann on 6742 5585 to find out more.
