

## Upcoming events

**Networking at Namoi Valley Bricks**  
Tuesday 1 March from 5.30pm,  
BBQ meal and drinks. RSVP's  
preferred.

Chamber's March networking event is being held at Namoi Valley Bricks. The NSW business Chamber's Regional Advisory Committee (RAC) will be meeting there from 3pm, and will join us for our networking and BBQ from 5.30pm. The RAC works to identify issues which constrain businesses and feeds them into the State and Federal system, lobbying on behalf of businesses.

The Chamber is an affiliate member and our members receive great benefits from opting in to provide information and support. Come along and find out more and lobby your regional representatives.

### **Caroona Coal Action Group Inc.**

Info presented to chamber members mid February on: Liverpool Plains Agriculture (an overview of the production, the contribution and the outlook). If you missed this event at the Golf Club and want to know more please email us for contact details [admin@gunnedah.org.au](mailto:admin@gunnedah.org.au)

### **FUNDING and TENDER OPPORTUNITIES**

– a member service

The Chamber is working towards providing our members with timely information regarding opportunities. The Murray Darling commission presented information to our members in early Feb regarding its current round of funding. We hope to continue to help Gunnedah businesses be aware and take up grants and local tenders wherever possible.

### **YOUR CHAMBER OF COMMERCE**

How we work....

The Chamber committee meets once a month – 12 committee members (business owners and managers) who volunteer their time to manage the association. We are supported by Alysha White who contracts to provide our administration and membership services. We hold a networking event each month to allow you to talk to other members and our committee members. These are the opportunities to raise issues of concern, which are followed through at our committee meetings.

Members can always contact any committee member by phone and the executive all have a chamber email address go to [www.gunnedah.org.au](http://www.gunnedah.org.au) or find us on Facebook

### **CHAMBER MEMBERSHIP**

At this time of the membership year we offer pro rata membership of the Chamber - \$75 including GST. A good time to try out Chamber membership.
