Gunnedah Open for Business

This Chamber initiative is focused on encouraging businesses large and small to purchase locally.

Our first engagement will be with a selected group of larger businesses and will commence in April this year.

Any advancement in local procurement will make a difference to the economic stability of our business community, large or small, and will help to secure the future sustainability of our region.

Chamber Membership

It's a great time to join the Chamber. From 1 April new members are offered membership until 30 June 2017. Membership fee for 2016/7 has been set at \$180 incl GST. Please contact our administrative officer Alysha White for an application form at admin@chamber.org.au
