

AUGUST NETWORKING

Carroll Cotton Co

Carroll Cotton Company is an independent cotton gin and one of a few family-owned gins remaining in Australia. Come and see state of the art ginning technologies at work.

When: 5.15pm Tuesday 30th August

Where: "Avondale" 1875 Clifton Rd, Carroll

To minimize traffic to the site a bus has been organized to pick up from Wolsley Park at 5.15pm sharp.

RSVP essential to admin@gunnedah.org.au

GUNNEDAH BUSINESS AND SERVICE AWARDS

Congratulations to the 34 businesses and/or their employees who were finalists for this years Business and Service Awards. Much effort and preparation has taken place to make for a great night. We look forward in anticipation to the announcement of the winners of each. A big thank you to all sponsors and in particular The Stripes Group of Companies for coming on as the major sponsor for the event

THE GUNNEDAH PROSPECTUS

A Gunnedah Prospectus is in the initial stages of being compiled documenting statistics on local agribusiness as well as snapshots of local businesses on the verge of exporting their own produce. The document has been translated into Mandarin, Japanese and Korean initially and will be distributed via the Dept. Primary Industries into various regions of these countries. The need for this became apparent following the two Chinese delegation tours we have been involved with from the Ningbo

region which is struggling to meet an ever increasing food demand. As a result of these tours a few local businesses have already fostered export relations and many others are close to supplying agricultural products in the near future.

"TRY A TRADE"

Held in conjunction with Gunnedah TAFE, local school students in years 10 and 11 will be invited to attend and try particular skill sets at a weekend workshop. Trades on offer will include, but not limited to, welding, light automotive, hairdressing, nursing, engineering and much more. Chamber will be inviting along a broad range of local businesses to discuss their professions with our young people. A date is still to be confirmed but will be set towards the end of November once exams are complete. Watch this space for further details.

2016/17 Chamber Committee Details

PRESIDENT	Jamie Chaffey	0427 422 312
VICE PRESIDENT	Stacey Thibault	0467 422 447
SECRETARY	Treena Daniells	0429 049 911
