

Spirit of Christmas Fair

On Thursday 15th December 2016 the Gunnedah community enjoyed festivities at the Spirit of Christmas fair. Prizes, live music, street stalls, demonstrations and activities for the children were all on offer as well as shops remaining open people to purchase those last minute Christmas presents. The crowds enjoyed an evening with families and friends welcoming in the festive season.

Gunnedah Open For Business

This Chamber initiative is focused on ensuring businesses purchase locally wherever possible and creating opportunities for growth in business trade for Gunnedah.

Funding was sourced through the Murray Darling Energize Enterprise Fund which we have been successful in securing to help get the initiative off the ground.

The project will run from February to June 2017 and will be based around informing businesses on networking opportunities that present themselves in our region and

encouraging larger businesses to take part in the advantage of local procurement.

Gunnedah Gift Card

Ensure your money stays in town. Use Gunnedah Gift Cards in all stores displaying this window sticker. We are in the process of signing up new redeeming stores. If you are interested in accepting these cards in store contact Alysha at admin@gunnedah.org.au for an application.
