SPECIAL OFFER

Gunnedah & District Chamber of Commerce & Industry Inc has a proud history of local advocacy and a great membership base. We are currently part of the Chamber Alliance Program with NSW Business Chamber, with our members qualifying for tiered levels of advice and support with Industrial Relations, Human Resources, Workplace Health & Safety, Legal and Marketing queries. NSW Business Chamber has flagged some changes which would mean businesses have a direct subscription to those services.

SO, it is time to promote what we do locally to encourage new and returning members – and we've got a special on membership for the rest of 2019/20 of just **\$90 until June**. We'll work hard to make it easy for you to decide to renew again then in July!

WHAT DOES THE CHAMBER DO?

Advocacy for Local Business – Our regular engagement with local, state and federal government means your issues are heard and acted upon

Networking Events – Hosted by members to promote their business or held on member's premises we hold regular monthly catch-ups

A Trusted Partner – Members of Chamber contribute to Council and community subcommittees and working groups, ensuring the business sector is well represented

Business Awards – We celebrate success and promote excellence to our community, region and beyond

A Central Hub for Businesses – Supporting employers with mentoring and as a source of information the Chamber is focused on your success

Engaging the Community – From the Spirit of Christmas Fair to our media presence, the Chamber demonstrates to locals the strength and breadth of our business community

WHAT DOES MEMBERSHIP OF THE CHAMBER MEAN FOR YOU

Seal of Trust – Research has shown businesses displaying Chamber membership decals and certificates are instantly credible and viewed as a trusted community member

Local Updates – We host regular training, workshops and seminars bringing local businesses the latest information and support so you don't have to travel away

Website Directory – Our members are promoted on our website and the listings are known to have generated direct business

Future Focused – We work with member businesses and local services to inform planning – e.g. working with TAFE to ensure varied training opportunities

Invitations & News – Regular Chamber e-newsletters, social media posts and updates to our website keep you informed of local issues and opportunities

Your ideas are welcome – Someone should do something? Let us know – some along to meetings or events and together, we'll make our mark!
