

**Gunnedah & District Chamber of Commerce & Industry " Spirit of Christmas"
On-Line fair for 2020**

Hope you're having a wonderful day. We the Gunnedah & District Chamber of Commerce & Industry have an incredible opportunity for you, one that we would love you to be a part of. You are aware of Gunnedah's Spirit of Christmas Fair that's held every year to showcase our amazing products/services/food and where we as a community come together to share that beautiful atmosphere of a Country Christmas Fair.

Due to Coronavirus restrictions on all large gatherings and social distancing measures the Gunnedah & District Chamber of Commerce & Industry has decided not to hold a Fair in the main street of Gunnedah as it would be impossible to abide by the regulations. But not to let our community down, we have decided to continue our role of promoting our town and will conduct an On-Line Fair this year.

This will be a new challenge for me as we head into the new norm of the digital marketplace and how businesses/Events will feature on-line in the future.

This campaign will focus on Keeping our Dollar in Gunnedah during the Christmas period and bringing together the community Christmas spirit via on-line videos, interviews, reports with the lead up to Christmas.

Gunnedah & District Chamber of Commerce & Industry are giving you the opportunity to be a part of the biggest, most magnificent giveaway that Gunnedah has ever seen. A prize pool to bring joy to the whole family... How will you feel when you make someone's Christmas a little more special?...

I am asking if you would please donate something towards our Christmas Raffle. I find it very difficult to ask others for help...I guess being in business we just get on and do things... but this is huge and I really do need your help. Every donation will be gratefully received..

Gunnedah & District Chamber of Commerce & Industry Spirit of Christmas On-line Fair will commence on 1st October 2020 and run through to Friday 18th December 2020 where the winners will be announced via our Facebook Page... Live

I understand that we are all in difficult times, but I believe if we all join together and share Gunnedah's huge Christmas Spirit that we are famous for...the rewards will be of great benefit to everyone. We are so blessed to live in a town like Gunnedah and keeping the bright outlook for our future is of great importance.

If you wish to contact me (and I really hope you do) please phone me on 0427437846 or via email christmasfair@gunnedah.org.au

With love and best wishes and many thanks.....
